

1st July 2021

Dear Valued Customer,

**Revision of Additional Surcharge for Parcel Shipments from Peninsular to East Malaysia**

Reference is made to our letter dated 14<sup>th</sup> August 2020, pertaining to the additional surcharge for parcel shipments delivered from Peninsular Malaysia to East Malaysia.

The ongoing instability of air linehaul availability via passenger and cargo flights remains a challenge for the delivery of shipments to East Malaysia. This has in turn resulted in higher operating costs for GDEX. Despite this, GDEX wishes to assist our valued customers by lowering the additional surcharge for parcel shipments from Peninsular Malaysia to East Malaysia.

Hence, for parcel(s) collected on **1<sup>st</sup> July 2021 (Thursday)** onwards, we will be revising the freight surcharge of Ringgit Malaysia TWO per kilogram (RM 2/kg) to **Ringgit Malaysia ONE per kilogram (RM 1/kg)** until further notice. The surcharge is in addition to our current Fuel Surcharge and Security Handling Fees, but it is subject to Government Tax.

Thank you.
